

SICKLES HIGH SCHOOL  
BAND BOOSTERS  
MEETING MINUTES

---

**BOARD MEETING**

**DATE:** January 27, 2020

**ATTENDEES:** Keith Griffis, Director of Bands  
Nicole Byrnes, President  
Caroline Goodrich, Vice-President  
Ginny Thomas, Treasurer  
Christina Wilson, Secretary

**Topic: Treasurers Report & Fundraising**

Current bank balance is \$21,582. Winter Concert netted \$2,190 with \$1,507 in entry fees, \$10 for gear sold, \$210 in poinsettias, \$347 in 50/50 raffle and \$116 from concessions.

Everyone agreed that the installation of the bricks looked great. Due to the installation cost, it did not raise any funds. Before continuing the sale of any further bricks, the cost of the installation needs to be understood, so the sale price will provide funds for the band.

Ginny will follow up on the Flower sale for Valentine's Day. This will be a general fund fundraiser.

Mattress sale is scheduled for March 28, but the date could change as Caroline is having difficulty reaching the responsible party for the sale.

Shoe drive continues into February. Promotion is the key, as it seems some parents are still unaware that the shoe drive is going on. Mr. Griffis will ask each section leader to remind the students to bring in used shoes for the drive.

CarWash for the annual scholarship is scheduled for April 11. Mr. Griffis to reach out to Aria Jackson's family to find out if they want to continue the Aria Jackson Memorial Scholarship. If not, it will be a general scholarship fund.

Caroline is also preparing a grant request from Target.
