Can we add some flair to the message we choose?

- YES!! On the order form there are some musical stock symbols available for \$10.00 extra. They are great additions that add some flair and uniqueness. Keep in mind that each symbol will take up 4 additional character spaces on lines 1 and 2. So plan out your design to accommodate the need for those spaces.

When do we have to have the form and payment turned in by?

- The main order and contracted labor installation depend on the number of orders received. Therefore, the sooner we collect the orders and payment, the quicker we can contract the manufacturer and installation of the brick pavers.
- THEY MAKE AWESOME CHRISTMAS GIFTS AND GRADUATION PRESENTS!!!!

Where do we turn the payment in and who do we make the check out to?

- Please turn in all completed forms with checks payable to SHSBB to the wooden collection box in Mr. Griffis' Office. Please fill out the contact information in completely in case there are any issues with your order. A member of the committee will reach out to you for clarification.
