Completing the Packet

- Once you have submitted the packet, you will receive an email letting you know the process has been started.
- The APA at the school, Mr. Lewandowski, must review and approve the packet **BEFORE** your student is cleared to participate in outside practice, games, or other extra activities.
- There is a tab at the top titled MY CLEARANCES where you can check your progress in completing the application and see if your student has been cleared. You will be notified by email once the application is cleared or if corrections need to be made to your application.

The screenshot displays the 'My Clearances' web interface. At the top, there is a blue button labeled 'Start Clearance Here' and a link for 'Archived Clearances'. Below this is a search filter section with a 'Filter Search' input field, a 'Year' dropdown menu set to '2021-22', a 'Status' dropdown menu set to '-- Select --', and a 'Search' button. The main content area shows a heading 'You have clearance registrations that are in progress' followed by a table. The table has columns for 'Sickles (Tampa)', 'Year', 'Sports', and 'Participant'. To the right of the participant name is a progress bar with seven steps: 'STUDENT', 'PARENT/ GUARDIAN', 'MEDICAL', 'PROGRAM INFORMATION', 'SIGNATURES', 'FILES', and 'CONFIRMATION'. The first four steps are marked with blue circles, while the last three are marked with white circles. The text 'In Progress' and a trash icon are located to the right of the progress bar.
