CORPORATE AND INDIVIDUAL SPONSORSHIP OPPORTUNITIES 2021-2022

Sickles High School Bands is a large, growing, and high achieving performing arts organization where excellence in musicianship, character, and leadership is emphasized. We provide a top-quality band experience for the benefit of our more than 200 student musicians, our school, and our local community. Research has found that learning music facilitates learning other subjects and enhances skills that children inevitably use in other areas, such as improve memory, teamwork and problem solving. By partnering with us you will help support an extraordinary group of musicians, while gaining brand visibility and recognition within our community. Thank you for your generous donation!
