

Your Donations Make a Difference to Students!

The Bands at Sickles High School contribute to school spirit and unforgettable moments, such as halftime shows at football games, the excitement at pep rallies and events, and performing at concerts that entertain students, parents, and our local community.

Education budgets are tight and many high school band programs are affected. Individual and corporate donations help maintain/purchase uniforms, buy/repair instruments, assist with travel expenses to attend away football games, competitions, and music performance assessments as well as purchasing music and supplies. With over 240 band students, items like water, snacks, music folders, chairs, stands, instruments, and outside clinicians are basic needs which must be met annually. Investing in these dedicated, hard-working student musicians may be the best donation you've ever made. Please fill out the form below and send your check or money order to the address listed. Thank you.

CORPORATE DONATIONS:

Corporate contributions \$100 or more will be recognized on our website and with your corporate banner hung at school.

There are many ways to support this program from underwriting master classes to funding instrument repair to dropping off a case of water. We are happy to meet with you to discuss needs lists and how we can uniquely partner to meet your needs and ours. We will tailor a promotional plan to best meet your contribution.

We are a 501c3 non-profit organization and will provide a tax receipt upon request.

PLEASE COMPLETE THIS FORM AND MAIL WITH YOUR DONATION TO:

Sickles High School
Attention: Band Director
Gunn Highway
Tampa, FL 33626

Please keep a copy for your records.
